PROFESSIONAL EXPERIENCE

Summer 2000 to present. CAMP NURSE @ Camp KenMont (CT), Kennybrook (NY)
Homeward Bound (NY), Camp Hilltop (NY), Camp Echo (NY), Camp Patterson (WA),
Camp Erin (WA)

Responsibilities include routine and as needed medication administration, education, and first aide/pre-hospital management of medical incidents and traumatic injuries to staff and campers.

January 2007 to present. PRIVATE DUTY NURSE through WA State Department of Health and Human Services (DSHS), Arlington WA

Caring for a young ventilator-dependent quadriplegic in the home. Includes care of and changing tracheostomy, gastrostomy tube, suprapubic catheter, with range of motion, wound and personal care.

January 1991 to present. STAFF NURSE @ Providence Regional Medical Center Everett Colby Campus (Formerly Providence Everett Medical Center, Formerly General Hospital and Medical Center), Everett WA

On 4A the patient population includes medical telemetry, renal failure/dialysis, thoracic surgery, vascular surgery, medical neurology, and seizure monitoring. Have also worked as the evening CHARGE NURSE for one year with a staff of 60 employees; designating patient assignments and coordinating care with staffing and the nursing supervisor as well as with other departments in the hospital.

I also oriented to the ED and have done occasional night shifts in the Emergency Department and as a PRN nurse who enters patient admission information. September 2007 I began doing stroke and total joint replacement data abstraction. October – December 2007, along with 8 other instructors, trained ~ 600 staff in our new electronic health record, a McKesson product.

December, 2012 - present. TRIAGE AFTER HOURS NURSE @ Providence Hospice and Homecare of Snohomish County.

Working evening or night shift, we enter orders, make time of death visits, triage and

manage problems over the phone or in person, including in the home, an institution, or emergency department. Provide comfort, support, education, resources, and postmortem care to patients and families on hospice services.
